

TAYSHA
STONES

& Infrastructure LLP

Welcome To The World Of Natural Stones.

Taysha Stone is one of the finest and genuine natural stone distributor across the globe. We provide an exquisite collection of granite, marble, quartz, limestone and sandstone. We distribute a complete range of slabs, tiles and blocks and have emerged as one of the major project suppliers including hotels, commercial building, residential construction etc.

Founded in the year 2006, Taysha Stone has set a prominent name in real estate as well as in the natural stone sector.

Consistent high quality is the cornerstone of our business. We pay close attention to the source and quality of the raw material. We manually check the raw material as well as the finished products. Exotic stones, unlimited sizes and superior finishes have established us as an industry leader for both interior and exterior application of natural stones.

We are a team of young and passionate members who try our best to walk that extra mile for our customer and provide them with the highest level of quality and satisfaction.
